Winnipeg's (October 15, 2020) Canadian Business today ranked Cornerstone Timberframes No. 316 on the 32nd annual Growth List, the definitive ranking of Canada's Fastest-Growing Companies. Produced by Canada's premier business and current affairs media brands, the Growth List ranks Canadian businesses on five-year revenue growth. Growth List winners are profiled in a special print issue of Canadian Business published with Maclean's magazine and online at CanadianBusiness.com and GrowthList.ca. Cornerstone Timberframes made the 2020 Growth List as a result of their five-year revenue growth rate.

"The companies on the 2020 Growth List are really exceptional. Their stories are a masterclass in how to survive when the economy throws a curveball. Despite turbulence, the 2020 Growth List companies showed resilience, spirit and, most importantly, empathy and strong leadership," says Susan Grimbly, Growth List Editor. "As we celebrate over 30 years of the Canada's Fastest-Growing Companies program, it's encouraging to see that the heart of Canada's entrepreneurial community beats strong, even in tough times." "We are so honoured to be included on the Growth List, along with other exceptional businesses located across Canada." Says CEO Tanya Bachmeier. "This achievement reflects the exceptional quality of our product and our dedication to our work, our clients and our community."
